

# Big Fish Lake

## lake conservation game

If you land on the pollution ring you must move your pawn to the start position. If you land on the current ring your pawn will get caught and you will lose a turn.

The first team to the middle of the lake wins!

Rules of Play - Help Save Big Fish Lake: This game is for 2-4 teams of players

The object of the game is to get from the start to the middle of the lake before the other teams. To do this you will respond to cards along the way.

The team opposite the team starting draws the first card. The team whose turn it is get to pick 1, 2 or 3. Depending on the chosen option the team must answer or perform what is requested. And move their pawn accordingly.
